

Rehoboth Beach Public Library Thanks Shore United Bank for Generous Donation

On March 30, 2026, representatives from Shore United Bank visited the Rehoboth Beach Public Library to give a \$10,000 donation towards the ongoing capital campaign.

These funds will go towards renovations to the library's downtown facility on Rehoboth Ave. The project will include improvements to the building's infrastructure, replacement of the roof, and the construction of additional meeting rooms.

In order to raise the remaining \$2 million needed to fund the renovations, the Library has offered naming opportunities for large donors to leave behind their legacy. Shore United Bank's donation is for the 2nd floor lobby, the space where library users gather before a program in the large meeting room.

The Rehoboth Beach Public Library is located at 226 Rehoboth Ave. For more information about the library's capital campaign, including additional naming opportunities and how to make a donation, please visit the campaign website at <https://reholibrarycapitalcampaign.com/>.
